### GALERIE Smooth Pearl Photographic Prints

GALERIE Smooth Pearl Paper combines the excellent properties of a porous product with the elegant finish of a pearl print. The heavyweight base produces prints with excellent consistency and superb photographic quality. The pearl surface eliminates glare and finger prints giving the true look and feel of a photographic print.

**Technical Details:**  
 Weight 290g/m<sup>2</sup>  
 Opacity 99%  
 Caliper 280 micron  
 Tint (lab) 96.0, 0.2, -4.7  
 Gloss 24% (60°)

chromajet  
CENTURION METALLIC

## Centurion Metallic Pearl Photographic Prints

Chromajet Centurion METALLIC Pearl photographic paper has to be seen to be believed! The pearlescent finish is similar to traditional silver-halide metallic -photo papers, and offers exceptional image clarity, and brilliant colour reproduction with a cool, high-gloss metallic finish with a blue iridescence.

### Photo Restoration

Repair and save your precious memories.

Do you have an old photo that needs restoring? Save them for future generations by letting us scan and repair your family photos. Whether it's an old family photograph that's torn, cracked, faded or has a corner torn off, in most cases we can restore it. We can remove blemishes, add a person to a photograph, even remove an object from the background

### Kid's Wall Art Canvas Prints

These canvas prints are the ultimate in art for your child's bedroom. They make impressive wall hangings as they have a contemporary feel and will give your children's bedroom or nursery a definite 'wow' factor. You can have your canvas personalised with your child's name, and we will then print out your chosen design on top quality canvas, stretched ready to hang.

Have one of your child's favorite drawings or paintings turned into a canvas "Masterpiece"
